I can't believe I could of been so blind
But love is strange
I thought about it for a long long time
But the truth remains
I don't need another lonely night
To dry my tears
The answer's plain and it's black and white
And I can see the picture very clear

I've been living on the edge of a broken heart
I don't wanna fall, I don't wanna crawl
I've been living on the edge of a broken heart
Don't you wonder why I've gotta say goodbye

It isn't like you never had the chance
To change your tune
Did you think that I'm a dime a dance
Well the dance is through
I've been doing things your way for way too long
Well baby that's over
(Baby that's over)
It won't be easy but I've got to be strong
And if I wanna cry I don't need your shoulder

I've been living on the edge of a broken heart
I don't wanna fall, I don't wanna crawl
I've been living on the edge of a broken heart
Don't you wonder why I've gotta say goodbye

I'll find someone else who's nothing like you
Two can play the game as well
And you're gonna be sorry baby
When it's over

I've been doing things your way to long
Well baby that's over
(Baby that's over)
It won't be easy but I've got to be strong
And if I wanna cry I don't need your shoulder

I've been living on the edge of a broken heart
I don't wanna fall, I don't wanna crawl

I've been living on the edge of a broken heart
Don't you wonder why I've gotta say goodbye

I've been living on the edge of a broken heart
I've been living on the edge of a broken heart
Don't you wonder why I gotta say goodbye
I've been living on the edge of a broken heart
