(Come on now...Uhhh)

[Jay-Z]

I know my English ain't as modest as you like
But come, get some, you little bums
I take the cake from under the baker's thumbs
I bake the cake get two of them for one
Then I move the +weight+ like I'm +Oprah's son+
Uhhh, I show you how to do this son
Young don't mess wit chicks in Burberry patterns
Fake Manolo boots straight from Steve Madden (un-uh)
He padded hisself the rap JFK, you wanna pass for my
Jaqueline Onassis
Then hop ya ass out that S-class
Lay back in that maebach, roll the best grass, I ask...
Have you in your long-legged life
ever seen a watch surrounded by this much pink ice?
(uhh)
Look but don't touch, muthafucker think twice
Cause the gat that I clutch got a little red light
Need a light?...

[Hook]

[Chorus]

[Jay-Z]

We got brothers full of Arme, mamis in Manolo
Bags by Chanel, Louis Vuitton logos
All attracted to Hov' because they know dough
When they see him, which be European
If you're a +te-en+ (ten) chances your wit +him+
If you're a five you know you ridin' wit th-em
Sick wit the pen nigga, no position in the world could fix
him
No prescription, you could prescribe to subsidize his
affliction
He's not a sane man, more like reign man twitchin'
You can't rain dance on his picnic
No Haitian voodoo, no headless chickens can dead his
sickness (whoa)
No Ouija board, you can't see me dog, nigga you
+CB4+
This ain't +Chris Rock+ bitch, it's the ROC bitch
And I'm the +franchise+ like a Houston Rocket
Nawimean (Yao Ming)...

[Hook]

Still smoking that lalala...

[Chorus]

[Jay-Z]

Forget English talk body language
I be all over mamis like body painters
Pink diamond necklace, strawberry wrist
Please excuse yourself, you're very sick
Don't confuse me wit marbury out this bitch
Run up on me at the light, you could lose your life
Muh'fuckas must be smoking they lalala la crack
.45 gun smoke, choke off that
Back to the music, I ain't wit all that
Plus the feds tappin my music I get all that
I'm THE public industry number one
Public industry number two is my whole crew R-O-C
And I ain't concerned wit' who like me, who like you
That's gay, I ain't into likin' dudes no way
