You're in the corner turnin' your back
You're runnin' away again
The more I give you the less that you take
Tell me, where is it gonna end?

Whoa oh, I can see you've felt some pain
Whoa oh, I know you've been hurt before
Whoa oh, but I swear you won't get hurt no more tell me

How much love is it gonna take
To prove I'm not another heartache?
Till you begin to let your heart give in
How much love is it gonna take?

I'm reachin' for you, gettin' so close
But you're always a step away
I wanna touch you and give you my love
What is it gonna take?

Whoa oh, I can see it in your eyes
Whoa oh, that you want to let me in
Whoa oh, but you're scared that you'll get hurt again
tell me

How much love is it gonna take
To prove I'm not another heartache?
Till you begin to let your heart give in
How much love is it gonna take?

I've been searchin' for an answer
Ooo, tell me what it's gonna be?

How much love is it gonna take
To prove I'm not another heartache?
Till you begin to let your heart give in
How much love?

How much love is it gonna take
To prove I'm not another heartache?
Till you begin to let your heart give in
How much love, tell me how much love?

How much love is it gonna take
To prove I'm not another heartache?
How much love?
Is it gonna take, is it gonna take
How much love?

I can see it in your eyes
Come on let me in
Come on let me in
Yeah! Yeah!
