I can't help but tell you
How I'm feeling today
And I know there's a chance
It might push you away

Well I'm fighting every urge to give you
Every little piece of myself
I can feel your need I wanna be your sponge
I wanna kiss you again, but I don't

You said you'd never say never
I know you remember
Now you're saying never
And I'm lost forever

When I'm not in control I just feel like a jerk
You made me lose myself
This doesn't happen to me
This thing is all your fault

You said you'd never say never
I know you remember
Now you're saying never
And I'm lost forever

You shouldn't have taken me there
Why'd you do it?
Oh, why'd you do it?
Why? Why?

You said you'd never say never
I know you remember
Now you're saying never
And I'm lost forever

You said you'd never say never
I know you remember
Now you're saying never
And I'm lost forever

Never say never, forever
Yeah yeah
