Hello Dolly
Yes, hello Dolly
Now I'm mighty glad your back
Where you belong, Dolly
Here's a song, Dolly
But if it were up to me I'd send you home

Well it gets worse, Dolly
Another verse, Dolly
Well how many more bad things
Can I say about you, Dolly
Get a clue, Dolly
La, la, la, la, la, la

Well the holidays were good to you
And you got everything that you wanted to
And now I really hope to God all of your wishes come
true
'Cause it's over between me and you

So the next time your around, stay
Next time your around, stay
Next time your around, stay away
Dolly stay away
Dolly stay away

Well hello Dolly
Yes hello Dolly
You know I'm ma, ma, ma, ma, ma, ma, ma, ma, ma
Really really glad your back where you belong
But you know, if it were up to me I'd send you straight
to

Holidays were good to you
And you got everything that you wanted to
And now I really hope to God all of your wishes come
true
'Cause it's over between me and you
I hope all that my wishes come true
Stare at the cracks, when there's nothin' to do

So the next time your around, stay
Next time your around, stay
Next time your around, stay away
Dolly stay away
Dolly stay away
Dolly stay away

Yeah, yeah, yeah
Holidays were good to you
And you got everything that you wanted to
And now I really hope to God all of your wishes come
true
'Cause it's over between me and you
I hope all that my wishes come true
Stare at the cracks when there's nothin' to do

So the next time your around, stay
Next time your around, stay
Next time your around, stay away
Dolly, yeah

So the next time your around, stay
Next time your around, stay
Next time your around, stay away
Dolly stay away
Dolly stay away
Dolly stay away
