Ghost town on a Tuesday night
That's o.k. I'm feelin' alright
It's easier to grab a beer
Without a thousand people here
Talkin' to a friend of mine
Ask him man
He'll say he's just fine
Talk of songs and inspiration
Dreams and financial desperation

I wonder where I'll be in a year
Probably be sittin right here
But if you know the answer
Don't tell me anyone
I don't wanna know

Well I don't wanna know

We've been saying we're going go somewhere
For a long long time
Nothing ever happens
Why's it never happen

Ya We've been prayin' we're gonna get somewhere
For a long long time
But it never happens
Why's it never happen

I wonder where I'll be in a year
Probably be sittin right here
But if you know the answer
Don't tell me anyone
I don't wanna know

Cause I don't wanna know
