Well I could see by the way that she danced with me  
She want to break my heart  
want to tear it apart  
and I could see by the way she dance with me  
If I give her ten dollars I could get anything that I want

So what's a girl like you doing in a place like this  
Lets forget that I asked  
baby give me a kiss  
So stop biting my fingernails  
They're starting to bleed a little  
Why don't we just skip the formalities  
And get down to what we're here for

I'll do anything for you  
Anything that you want me to  
It's just going to take  
A little more money  
Do anything for you  
Anything that you want me to  
It's just going to take  
A little more money

So this big old guys comes up to me  
"Say skinny white boy  
I don't like the way you look at my girlfriend"  
Well "what an ugly thing to say"  
I say, "don't flatter yourself  
I don't think that much of your girlfriend"

So that big old guy socks me in the nose  
I falls on my back and gets blood on my clothes  
He say's "Hey, skinny white boy  
What do you think about that?"  
I says, "it doesn't change much  
I still don't think much of you girlfriend"

I'll do anything for you  
Anything that you want me to  
It's just going to take  
A little more money

Do anything for you  
Anything that you want me to  
It's just going to take  
A little more money

So what's a girl like you doing in a place like this
