Well I'm going to the hardware store
im gonna buy you a really big hammer
Girly won't you pull these nails out of my heart

Then I've gone to the sporting goods store
I'm gonna buy you a really heavy baseball bat
Girly won't you knock these thoughts out of my head

Beat me till I'm black and blue
and I'm hangin by a thread
then I can get back up
and we can do it all over again

Well I'm goin to the liquor store
I'm gonna buy you a really big bottle
Girly won't you pour some light into my life

Then I'm gone to the firearms store
I'm gonna buy you a really pretty handgun
Girly won't you blow this mess out of my mind (my my
my my my mind)

Beat me till I'm black and blue
and I'm very nearly dead
then I can get back up
and we can do it all over again
Well all over again
Well all over again
Well all over again!

Well I'm gone to the hardawre store
I'm gonna buy you a really big hammer
Girly won't you pull these nails out of my heart?

Then I'm gone to the sporting goods store
And I'm gonna buy the damn biggest Louisville Slugger
they got down there
Then I'm gonna put a big red ribbon on it deliver it to
your door
And you know what to do with it right

Beat me till I'm black and blue
and my blood is bloody red
then I can get back up
and we can do it all over again

well all over again
well all over again
well all over again
