So no one told you life was gonna be this way
Your job's a joke, you're broke, your love life's D.O.A
It's like you're always stuck in second gear
And when it hasn't been your day, your week, your
month
Or even your year....

But, I'll be there for you
When the rain starts to fall
I'll be there for you
Like I've been there before
I'll be there for you
Cuz your there for me toooooooooo

You're still in bed at ten
and work began at 8
You burned your breakfast
So far, things are going great
Your mother warned you there'd be days like these
But she didn't tell you when the world was brought you
Down on your knees

I'll be there for you
When the rain starts to fall

I'll be there for you
Like I've been there before
I'll be there for you
Cuz your there for me tooooo

No one could ever know me
No one could ever see me
Since you're the only one who knows
What it's like to be me
Someone to face the day with
Make it through all the rest with
Someone I'll always love with
Even in my worst
Yeah

It's like your always stuck in second gear

and when it hasn't been your day, your week, your
month, or even your year

I'll be there for you
when the rain starts to fall
i'll be there for you
like i've been there before
i'll be there for you
cuz you're there for me too

i'll be there for you
i'll be there for you
i'll be there for you
cuz you're there for me to
