Well these legions of lesions that I've acquired  
are suggesting the best thing to do is retire  
But here comes the dumb thing  
I've got to do something  
Or demons of love will descend from above  
So I've let go of the rope yes I've abandoned all hope  
before this pushing comes to more shoving

Now stay away from Los Angeles  
If what you want to find there is loving

Yeah these legions of lesions that we've acquired  
are suggesting the best thing to do is to retire  
But here's just a sliver of what they'll deliver  
A kick to the head and a shot to the liver  
We've let go of the rope yes we've abandoned all hope  
before this pushing comes to more shoving

Now stay away from Los Angeles  
If what you want to find there is loving  
Yeah, loving, alright, loving, ok loving

So squash me as flat as a dime  
in the middle of my prime  
With the gentleness of a biblical dove

So we've let go of the rope yes let's abandoned all  
hope  
before this pushing comes to more shoving

Now stay away from Los Angeles, mmmhhmmm  
Stay away from Los Angeles  
Let's stay away from Los Angeles if what you want to  
find there is loving.

Alright, loving

Loving

Loving

Loving

I-o-v-i-n-g
