There is someone I'd like you to meet
Kind of a friend of mine
He's a real sweettalker
And he knows every pickupline

He will seem like a real nice guy
Charm the bark off a tree
But he's a dangerous man
And they say that he looks like me

Liar liar with the pants on fire
When there's a bird on the wire
Well I'm Mr.Honesty usually
But when it comes to love you can't trust me
So remember this my turtledove
I don't lie 'bout nothin' but love
I don't lie 'bout nothin' but love

He always comes around
After I've had a few
He steps in to my shoes
And he walks on right up to you

He'll say the sweetest things
Speak the words of love
Then he'll promise you the world
Now don't believe a word

Liar liar with the pants on fire
When there's a bird on the wire
Well I'm Mr.Honesty usually
But when it comes to love you can't trust me
So remember this my turtledove
I don't lie 'bout nothin' but love
I don't lie 'bout nothin' but love

There is nothin' that he would not say
His conscience has gone numb
Nothin' he would not do
When there's a chance of gettin' some

Liar liar with the pants on fire
When there's a bird on the wire
Well I'm Mr.Honesty usually
But when it comes to love you can't trust me
So remember this my turtledove
I don't lie 'bout nothin' but love
I don't lie 'bout nothin' but love
