On a warm and lovely evening in early June
She was lookin' pretty and he was hummin' a Nick
Lowe tune
How do you talk to an angel? How do you find out her
name

They were comin' down Lovers lane as he stole a kiss
It's so easy to fall in love in a city like this
Can you feel it honey? Do you feel the same?

And as I passed them by I could see where it was
leadin'
Some of the sights and sounds of Stockholm Sweden
Some of the sights and sounds of Stockholm Sweden

In the underground on a Friday late at night
Some crazy kids were just lookin' for a fight
They were bored and broke and had no place to go

In on the ten fifteen from the other side of town
Came an innocent guy, that happened to get knocked
down
Wrong time Wrong place Man you never know

And as I passed them by I could see him bleedin'
Some of the sights and sounds of Stockholm Sweden
Some of the sights and sounds of Stockholm Sweden

Solo

On a dirty sidewalk on a cold and rainy day
A poor old woman was beggin' me to pay
Just a few bucks for the flowers that she had

She said I came here early seventies from greece
With great high hopes and now I'm on my knees
Can't get no job or home it's all gone bad

And as I passed on by I could here her pleedin'
Some of the sights and sounds of Stockholm Sweden
Some of the sights and sounds of Stockholm Sweden

As I passed on by I could feel my heart beatin'Â´
For the sights and sounds of Stockholm Sweden
Yeah the sights and sounds of Stockholm Sweden
