Una Soda por favor  
I can't drink cervezas anymore  
Cause if I do I fear I'll fall down on the floor  
Una Soda por favor  
I can't drink that anymore

Donde al bano senior?  
Please point me to the door  
And if you'd be so kind I swear that I won't puke on your  
floor  
Donde al bano senior?  
Point me to the door to the door

Come off a hard day of thinkin'  
Just thought I'd do a little drinkin'  
Now I'm at the lifeboats  
I think my ship is sinkin'

Que hora es senior?  
And Who's that pretty girl standin' there by the door  
I think I knew her from a thousand years before  
Que hora es senior?  
I need a little more (repeated)  
hey yeah, hey yeah
