What a friend we ha-ave in Jesus  
All our sins and griefs to bear-ear  
What a privilege to carry  
Everything to God in prayer

All the peace  
(What a friend we have, what a friend we have)  
We often forfeit  
(What a friend we have, what a friend we have)  
Oh what needless  
(What a friend we have, what a friend we have)  
Pain we bear-ear

All because  
(What a friend we have, what a friend we have)  
We do not carry  
(What a friend we have, what a friend we have)  
Everything to God  
(What a friend we have, what a friend we have)  
In prayer

Are we weak and heavy laden  
Cumbered with a load of care  
Precious Saviour, still our refuge  
Take it to the Lord in prayer

Do thy friends despise  
(What a friend we have, what a friend we have)  
Forsake thee  
(What a friend we have, what a friend we have)  
Take it to the Lord  
(What a friend we have, what a friend we have)  
In prayer

In His arms He'll take  
(What a friend we have, what a friend we have)  
And shield thee  
(What a friend we have, what a friend we have)  
Thou will find  
(What a friend we have, what a friend we have)  
A solace there
