I feel it in my fingers I feel it in my toes

I love that it's all around me
and so the feeling goes

The written on the wind
it's everywhere i go

It's if you really love me
come on and let it show

Refrain:

So you know I love you

I always will

My mind made up by the way that i feel

There's no beginning there'll be no end 'cause on
my love you can depend

I see your face before me as i lay on my bed

I cannot get to thinking
of all the things you said

You gave your promise to me and I gave mine to you

I need someone beside me in everything I do

Refrain

Coda:

Got to keep it moving

It's written on the wind ohhh
everywhere i go

So if you really love me come on and let it show

come on and let it show

come on and let it show...
