I don't know if I'm suitable for you,  
I don't know if I'll ever be with you,  
but all i know,  
is that i love you

### CHORUS

Yes i know, im out of my mind,  
but u needed to know,  
and i needed to say  
the one thing that was on my mind,  
baby i love you, and im out of my mind

Say somethin to me,  
are you scared of me?  
Do you want me to walk away?

Say somethin please,  
just turn and walk away  
cuz i would understand

### CHORUS x2

I would just like to say,  
that i would never stop  
thinking of you,  
and i understand if you slap me in the face

### CHORUS x3
