Ill be leaving tonight
Yes Im ready I think its about time
My lifes incomplete
Without you theres just no meaning
You are my lifeline
And you are the reason why

Chorus

I got a ticket for the night train
Ive been missing you
Ill be on the 10 oclock train
Just to be with you

All those nights Ive been gone
I felt so lonely though Ive never been alone
All hit n run
Just nameless faces
Theres no one like you
Im coming home
to tell my stories to you

Chorus

Ive got a ticket for the night train
(Ive got a ticket)
Ive been missing you
Ill be on the 10 oclock train
(Ive got a ticket)
Ive been missing you
Ill be on the 10 oclock train
Just to be with you

Repeat Chorus
