Wanna hug you, love you
Take you to the ball
Squeeze you please you
Drive you up the wall
Hold you, console you
Walk you down the hall
From the altar to the future
Girl I want it all

Ill give you all my love
All Ive got to give
Make you a promise
You Ill never leave
I may be a cynic
But my love I do concede
We were meant to be
That much I believe

Chorus

Lets be together
Winter, Spring, Summer or Fall
Now n forever
We can have it all

Love me hug me
Take me to the ball
Squeeze me, please me
Drive me up the wall
Hold me, console me
Walk me down the hall
From the altar to the future
We can have it all

Chorus

Lets be together
Winter, Spring, Summer or Fall
Now n forever
We can have it all
Staying together

Thats the beauty of it all
