Someone died, gunshot right outside
Your father, he is dead
I see him in my head
Childhood's end
Goodbye my holy friend
Love me, it's a sin
Can you see me caving in?

Went down, went down, went down
Went down, went down, went down
It's weighing down, weighing down, weighing down
On me, me, me
Me, me, me
Me, me, me
Me, me, me

Brothers feel
Killing time standing in the field
Our fate, it is sealed
At birth we made a deal
I don't cry
God, tell me why
Love, death, night flight
Best friend crucified

Went down, went down, went down
Went down, went down, went down
It's weighing down, weighing down, weighing down
On me, me, me
Me, me, me
Me, me, me
Me, me, me

Won't someone come
Won't someone come
Won't someone come
Won't someone come
Won't someone
For me, me, me
Me, me, me
Me, me, me

Me, me, me
