"FOR THE GLORY"

Is it dedication or self interest
That drives me on to get it done
To be the one who wins, in the end

Maybe its the task I can't resist
That drives me on to get it done
Or does the fun begin, in the end

I'm in it for the glory, I'm in it for the money
I'm in it for the fame, I'm in it for myself

Is it dedication or just a voice
That pushes me to make it work
To crush the jerk who slips, in the end

I'm in it for the glory, I'm in it for the money
I'm in it for the fame, I'm in it for myself
It's clear from this chair that no one can compare
And no one would dare get in my way

I won't fool myself, occupy the shelf
I've got the drive, I'll be alive
And I will contrive, to the end

I'm in it for the glory, I'm in it for the money
I'm in it for the fame, I'm in it for myself
