She was another one  
She came from Tokyo  
Another ladder another  
After show well

She knew her way around  
She spoke the native tounge  
And I bought it all cause i  
Was so young and i fell into  
A hole she made i begged and begged  
For her to stay but she had plans  
With many other men another dumb american

She said Sayonara, She said see ya later,  
She said I don't wanna, It made me wanna die,  
She Said I don't wanna, she said see ya later,  
She said Sayonara, It made me wanna cry

I tried to write a little, I never could forget her,  
And everything was filled with rage yeah,  
I let her know my feelings, she had no way of knowing  
I was allready on that plane

So i fell into my own crasp  
I landed on my own dumb ass  
When i showed up to find her with  
Another dumb american

She said Sayonara, She said see ya later,  
She said I don't wanna, It made me wanna die,  
She Said I don't wanna, she said see ya later,  
She said Sayonara, It made me wanna cry

Oh no,  
Oh no oh

Yeahhh i remember that girl  
Hahahaha  
Sounds like she got you too eh  
Ohh mann

She was the only one I was the lonely one  
Another dumb american  
She was the only one  
I was the lonely one another dumb american

I fell into a hole she made i begged and begged  
For her to stay but she had plans with many other men  
Another dumb american

She said Sayonara, She said see ya later,  
She said I don't wanna, It made me wanna die,  
She Said I don't wanna, she said see ya later,  
She said Sayonara, It made me wanna cry

She said Sayonara, She said see ya later,  
She said I don't wanna, It made me wanna die,  
She Said I don't wanna, she said see ya later,  
She said Sayonara, It made me wanna cry
