Walking down the street and every things ok,
Don't forget to smile oh I know this all to well,
I'm in hell,
Hey I think I know what you were in another life,
Nothing is for nothing and I think it hurt so bad,
How bad?

And you wanna come back to me,
On the rainy days to get your self paid,
That's the way that you walk,
On the rainy days,
The games we play,
That's the way that you walk

Everybody's smiling when you away,
you'll be back again looking for someone to pay,
For your mistakes I know all about the type of thing you
are,
Taking, taking and you still want more,
Well tell me how much more

And you wanna come back to me,
On the rainy days to get your self paid,
That's the way that you walk,
On the rainy days,
The games we play,
That's the way that you walk
On the rainy days,
That's the way that you walk
The rainy days,
The rainy days
That's the way that you walk

You owe me money
That's the way that you walk

And you wanna come back to me,
On the rainy days to get your self paid,
That's the way that you walk,
On the rainy days,
The games we play,

That's the way that you walk,
On the rainy days,
The rainy days,
That's the way that you walk
On the rainy days,
On the rainy days,
That's the way that you walk
