"Afterfire Storm"

we have been waiting for you, anticipating you
we shall not lose faith in all that is heaven.
because heaven is such a small place
seconds to minutes to hours to days.
screaming for something that's something i will never
hold.
all around you is tinder for the gods.
seconds to minutes to hours to days.
screaming for something that's something i will never
hold.
all around you is tinder for the gods.
storms across the battlements, the after fire.
storms across the battlements, the after fire.
