Enveloped in a sentiment  
A sound that rushes over me  
Engage an impulse to pretend  
I have a faith as pure

Not forgetting what it means to dream  
Indulging everything  
Entertaining thoughts that I've the strength  
Of those I yearn to be

Cheers and tribute greet the saviors  
Reckless thoughts survive  
Anachronistic and impulsive

And what will happen?  
Will I dream?  
I am too scared to close my eyes  
For a second please hold me

None can change in me  
These things that I believe  
But I don't know what happens now  
I am too scared to close my eyes
