Everybody wants to live in a lie  
But why should we delude ourselves  
It's not as if we can't see something's wrong  
Where's the duty to what's right  
Intentions end with empty words  
And chaos replaces order

Those who shout loudest  
Impose their will  
Upholding laws that serve a few  
Declaring peace while the sirens sing  
In the name of progress  
The name of madness  
Drum beats faster  
Crowd chokes louder  
And chaos replaces order

Oh when justice lowered a voice  
It can't be heard  
Vindication for every suffering and hurt  
Let retribution hold dominion over earth  
Because Judgment Day's not coming  
Judgment Day's not coming soon enough

Because Judgment Day's not coming  
Judgment Day's not coming  
Judgment Day's not coming  
Judgment Day's not coming soon enough

Oh when justice lowered a voice  
It can't be heard  
Vindication for every suffering and hurt  
Let retribution hold dominion over earth  
Because Judgment Day's not coming  
Judgment Day's not coming  
Oh when justice lowered a voice  
It can't be heard  
Vindication for every suffering and hurt  
Where retribution hold dominion over earth  
Because Judgment Day's not coming  
Judgment Day's not coming soon enough

Soon enough
