You and I have different lifes
You said our words could never be
How I long to make you mine
It's I knew you will see you will see
Girl what can I do to prove my love to you
How many times must I give my own to you
Tell me what can it be

But you keep tellin But you keep tellinthat we could
never We could never
Share another night Another night of love
Another night2x

I sitt in the dark alone at night
By my self wondering who's holding you tight
All the lonely tears that fall from my eyes
It's because of you i felt this way
sometimes I find words are to say
But you're hurting meYour thoughts are hurting me
Girl why can't you see

But you keep tellin...
