Old man came up to me and said
this life aint over 'till you meet the red duck
i said man you must be crazy
he said you are one stupid little fool
oh-oh-oooooooooh-oh-oh
this life aint over till you meet the red duck
oh-oh-oooooooooh-oh-oh
this life aint over till you meet the red duck
old man came up to me and said
ziza-biza-wada-bada-boink-boink-freak
i said man what do you mean he said
squeeky-doodle-yasha-ma-schecka-ma-doo
oh-oh-oooooooooh-oh-oh
this life aint over till you meet the red duck
oh-oh-oooooooooh-oh-oh
this life aint over till you meet the red duck
old man came up to me and said
girl you don't know who you really are
i said man what do you mean
he said you never really learned to express yourself
oh-oh-oooooooooh-oh-oh
this life aint over till you meet the red duck
oh-oh-oooooooooh-oh-oh
this life aint over till you meet the red duck
now i know what the old man means
this life aint over till you meet the red duck
the red duck is who i need to be
now i have met the red duck
oh-oh-oooooooooh-oh-oh
this life aint over till you meet the red duck
oh-oh-oooooooooh-oh-oh
this life aint over till you meet the red duck
