See mother will hold the children from the all worlds'
pain

Father still holds deep with eyes of hate

Folding our arms and the happiness

Falls apart for, all was unknown

Until' you create the game

So it's time

Clear our minds

Underground

Shut your eyes

Shut your eyes

Shut your eyes

Shut your eyes

Follow the gun quench the thirst for love that you had
kept from

Only son that has held you up so high

Felt like the world has been pushed away and back
again

When, mother will you

Protect all of us, somehow?

So this time

Clear our minds

Underground

Shut your eyes

Shut your eyes

Shut your eyes

Shut your eyes

Shut your eyes

Shut your eyes

Shut your eyes

Shut your eyes
