i hate my family, hate my school, speed limits and the  
golden rule.  
hate people who aren't what they seem, more than  
anything else, american dream.  
american dream's gonna swallow you whole, it's  
bursting at the seam,  
it'll sweep you away, so enjoy it today, tomorrow you'll  
be old thus useless.  
american dream . . . american dream . . .  
american dream, that's ok, cause no one dare give you  
away.  
i hate my job, i hate your god, i hate hypocrites and  
common slob.  
hate people who aren't what they seem, more than  
anything else, american dream.  
promise me today i'll have a chevrolet, with whitewalls  
on the side,  
one boy, one girl, comfortable lies  
the american dream . . . american dream . . . american  
dream,  
that's ok, cause no one dare give you away.  
american dream
