everybody is talking about the girl who went and killed  
the delivery  
man, but she looks so kind and gentle, it just doesn't  
stand to  
reason, i saw her right there just like the other night as  
stately as  
a slot machine, but when she looked my way  
something mad as hell came  
over me, anesthesia, mona lisa, i've got a little gun,  
here comes  
oblivion, i never loved you, how did you find me? the  
cops will never  
prove complicity now, anna..., all good children go to  
heaven! i  
remember your face that august night when we lied  
about the beautiful  
time to come and that crazy old man who came much  
too late and caused  
a chain reaction, i've been hanging out here for eleven  
long years  
like now is driving me to distraction
