Everybody's talking about the girl who went and killed  
the delivery man,  
But she looks so kind and gentle, it just doesn't stand  
to reason,  
I saw her right there just the other night as stately as a  
slot machine,  
But when she looked my way something mad as hell  
came over me,

Anesthesia, Mona Lisa, I've got a little gun, here comes  
oblivion,  
I never loved you, how did you find me?  
The cops will never prove complicity now,

Anna.....,  
All good children go to heaven!

I remember your face that august night  
when we lied about the beautiful time to come  
And that crazy old man who came much too late and  
caused a chain reaction,  
I've been hanging out here for eleven long years like a  
church mouse  
wondering where the cat as gone  
And looking at you now is driving me to distraction,

Anesthesia, Mona Lisa, I've got a little gun, here comes  
oblivion,  
I never loved you, how did you find me?  
The cops will never prove complicity now,

Anna.....,  
1, 2, 3, 4, 5, 6, 7, 8,  
All good children go to heaven
