She said "Thanks but I'm broken  
I guess ya must of misspoken  
Wanna laugh I've never been chosen by anyone"

She was barely a teen hangin' out in between  
Just a part of the scene  
With mercurial smile and incurable style  
She was only a dream  
How's that he didn't know a thing about  
Makin' love to the kinda girl you read about

He said "I'm bound to be broken  
My daddy said that i amount to nothin'"  
He won't let anybody show him anything

He was a troubled child  
Had been down for awhile  
Always kept to himself  
No she couldn't defend he only wanted a friend  
Now he's made somethin' else  
It's so sad  
No one saw it comin'  
The paper said that he hit the ground runnin'

Oh Yeah  
I know I'm not broken  
A little cracked  
But still I'm not broken  
I wanna laugh but I think that I am chokin' on reality

When the world is turning for you  
Don't turn on me  
Who are you here to repair  
Well I don't know what you mean  
You could never exist  
You're a fight in despair  
And now it's comin' to you and I don't really care

Well I'm not the kind to insist  
You couldn't of missed  
We must co-exist

So please listen to me  
There is no such thing as human debris

Oh Yeah  
I know I'm not broken  
A little cracked  
But that amounts to nothin'  
I wanna laugh  
I'm not jokin'

I'm unbroken  
(Oh Yeah, I said I'm not broken)  
I said I'm unbroken  
(A little cracked, It's just a token)  
I'm really not broken  
(Well I guess, I'm not broken)
