"What It Is"

here's a purpose, there's a goal,
there's a virtuos, and immoral,
there's a reason for all of this,
and i don't know what it is
i am one, and plural too,
i accept them but they exclude,
i could make sense of all of this,
but i don't know what it is
the seeds of inspiration never germinated in my mind,
the beacon of awakening is somewhere that i can't
find, so
i don't know what it is
there's a beginning, and there's an end,
there's a climax, some would contend,
there's a way to signify this,
but i don't know what it is
