

Ordinary Boys, The "Settle Down"

Brimming with useless information,
Spilling thoughts void of true opinion,
Yes you'll fight it to the death,
Yeah you'll fight it to the death.

Fighting someone else's favour,
Regurgitate the words you heard on radio 2,
Arghhh didn't you?

[chorus]
Stop throwing insults and crockery around,
We can all be destructive so settle down, settle down

Well every dialogue needs a certain suitor,
One who's open minded,
To calmly digest the very question of,
And understand,
to look at things from many angles,
construct and critic without anger,
Even compromise,
You never compromise

chorus x2

Stop throwing insults and crockery around,
Stop throwing insults and crockery around,
We can all be destructive so settle down, settle down

Stop throwing insults and crockery around,
We can all be destructive so settle down, settle down,
settle down, settle down
