I never knew love like this before,
Now I'm lonely never more,
Since you came into my life,
Yeah, let's go...
You are my lovelight, this I know and I'll never let you
go,
You my all, you're part of me, part of me...
Once I was lost and now I'm found,
Then you turned my world around,
When need you, I call your name: " Lydie! "....

Refrain

Cause I never knew love like this before,
Opened my eyes,
Cause I never knew love like this before,
What a surprise,
Cause I never knew love like this before,
I never, never knew love like this...

This feeling's so deep inside of me,
Such a tender fantasy,
You're the one I'm living for
Help me singing, feeling,
You are my sunlight and my rain,
And time could never change,
What we share forever more, forever more.....

Refrain

Cause I never knew love like this before,
Opened my eyes,
Cause I never knew love like this before,
What a surprise,
Cause I never knew love like this before,
I never knew, never knew....

You are my sunlight and my rain,
And time could never change,
What we share forever more....

Refrain

Cause I never knew love like this before,

Opened my eyes,
Cause I never knew love like this before,
What a surprise,
Cause I never knew love like this before,
Cause I never knew love like this before, everybody...

Never, (I say never!!) (x2)
I never knew love like this,
Never, (Oh, no never!!) (x2)
I never knew love like this,
Never, (I never knew love like this!!)
Never, (Never!!)
I never knew love like this, (I never Knew)
Never, (Lydie!!)
Never, (Lydie, yeah!!)
I never knew love like this,
Cause I never knew and we never knew,
Everybody need someone,
Yeah, cause everybody need somebody in the world,
yeah...
