Little girls shouldn't treat
Little boys they happen to meet
Like little Gods

Do they keep their promises?
No they break them, why do they make them?
Do they treat us like Goddess?
They keep you going without you knowing

Little girls shouldn't treat
Little boys they happen to meet
Like little Gods

Is there nothing else to do
Than to chase after forever after?
Don't you think you're wasting time
Waiting by the phone pretending not to care

Hello? It's who?

Oh I thought it was
Oh I hoped it was
Oh I knew it was you

Little girls shouldn't treat
Little boys they happen to meet
Like little Gods

Little girls shouldn't treat
Little boys they happen to meet
Like little Gods

Little girls, little boys, little Gods
