I'm nobody's wife and I'm nobody's baby,
I like it that way but then again, maybe.

I'm nobody's valentine & I'm nobody's pearl
When you get right down to it I always seem to always
find just
Some girl singin'

There are monsters, there are angels.
There's a peacefulness and a rage inside us all.
There's sugar & there is salt
There's ice and there is fire.
In every single heart, there are monsters, there are
angels.

I'm nobody's promise and I'm nobody's chore
And I ain't got nobody that I feel I gotta
live for - nobody to live for.
I'm nobody's work & I'm nobodys' company
And every time I turn around I always seem to find
Just me singin'

There are monsters, there are angels.
There's a peacefulness and a rage inside us all.
There's sugar, and there's salt.
There's ice and there's fire
In every single heart there are monsters there are
angels.

I'm nobodys' wife, I'm nobodys' baby,
I like it that way, but then again, maybe.
Then again maybe.

I'm nobody's valentine and I'm nobody's pearl.
When you get right down to it I always seem to find just
Some girl.

Singin' there are monsters, there are angels.
There's a peacefulness and a rage inside us all.
There's sugar, and there's salt.
There's ice and there's fire.
In every single heart there are monsters there are

angels.

Singin' there are monsters, there are angels.
Singin' there are monsters, there are angels.
I'm nobody's wife, and I'm nobody's baby.
