We are all together alone  
And these are just wishes  
And I am just dreaming

If I ever grow up I will take care of the old  
And all the babies that have no one  
You might think I give myself  
Too much credit but I am just dreaming

'Cause not much is sacred  
There's not really much to do here any more  
I don't feel like you said  
I walk the earth my darling but I never feel at home

And we all say  
I will change tomorrow  
(This could be a perfect place)  
I will change  
(This could be a perfect place)  
I will change tomorrow  
(This could be a perfect place)  
I will change it all tomorrow

I will assure all of the husbands  
Who are guilty and the wives who feel useless  
I will nurse all of the black and blue babies  
With their unhappy parents  
Who had unhappy parents

And I will assure all of the boys who feel awkward  
And the girls who feel clumsy  
And I will walk alongside the old man  
Who feels so alone as everyone rushes by him  
Now baby

'Cause not much is sacred  
There's not really much to do here any more  
I don't feel like you said  
I walk the earth my darling but I never feel at home

I will change tomorrow  
(This could be a perfect place)

I will change  
(This could be a perfect place)  
I will change tomorrow  
(This could be a perfect place)

I will change  
(This could be a perfect place)  
I will change it all tomorrow

We are all together alone  
And these are just wishes  
And I am just dreaming
