### "Rise"

I'm a soldier, and that means  
I'm both defendant and judge  
I am standing on the two ends of fire  
Bending over the steep turns, overtaking death and life  
I'm running to fight the shadow of the lies

No matter how much threads deceit weaves  
The truth will show the face of light

\*Save your tears  
for the day  
when our pain is far behind  
on your feet  
come with me  
we are soldiers stand or die

Save your fears  
take your place  
save them for the judgement day  
fast and free  
follow me  
time to make the sacrifice  
we rise or fall

I'm a soldier, born to stand  
in this waking hell I am  
witnessing more than I can compute

pray myself we don't forget  
lies, betrayed and the oppressed  
please give me the strength to be the truth

people facing the fire together  
if we don't, we'll lose all we have found

\*repeat

Chase the dream to the edge of the abyss  
This is the only way to save the world

Don't you cry,

Hide your tears  
Because there'll be a new day  
Your fire  
Will be heating  
Thousands of hearts  
Now, rise up  
Hide your pain and fear far off  
The one who is right will win  
Remember, everything is in your hands

\*repeat
