You are the sun in sorry eyes  
Electrify the spark in me  
Love me endlessly  
Forever

Tattoo my name across your heart  
Warrior in the night for me  
Tiger at my feet  
Forever

[Chorus]  
Don't be so shy  
Don't be so shy  
Inamorato let it flow  
Love me forever

Sometimes you need a reason why  
You've got to have some faith in me  
We are meant to be  
Forever

You are just one step away  
Don't be a stranger to my life  
Stay in paradise  
Forever

[Chorus]  
Don't be so shy  
Don't be so shy  
Inamorato let it flow  
Love me forever

Don't be so shy  
No reason why  
Inamorato here we go  
Love me forever

Let love be the melody  
Sing together  
Forever  
Forever

[Chorus]  
Don't be so shy  
Don't be so shy  
Inamorato let it flow  
Love me forever

Don't be so shy  
No reason why  
Inamorato here we go  
Love me forever

Love me forever

Repeat (3x)
