I, dont wanna know your name  
And I, dont want your private number, baby

All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
I want some, want some

I set my sights on you (and no one else will do)  
And I (I, I, I), I've got to have my way now, baby

All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
Watch out here I come

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round

I got to be your friend now, baby  
And I would like to move in a little bit closer

All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
Watch out, here I come

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round

All I know is that to me

You look like you're lots of fun  
Open up your loving arms  
Watch out here I come

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round
