You know that I want you, babe  
You know that I need you  
You know that I love you  
Just say it

Am I giving enough?  
Is it all that should be?  
When water gets rough  
Will you still swim with me?

So afraid to come close  
And maybe too slow  
And maybe too much  
For you to consume

And I wanna know if I  
Could live inside your world  
And I wanna know if I  
Could give it to you, girl

You know that I wanna say it  
You know that I need to say it  
You know that I love to say it  
Our love just goes on and on and on

You know that I wanna say it  
You know that I need to say it  
You know that I love to say it  
My love just goes on and on and on

I gave you all that you need  
There's no better place you can be  
And I know that in time  
You will believe in me

So please hold out your hand  
And let's just change golden band  
'Cause I want you in my life  
I want you to be my wife

And I wanna know if I  
Could live inside your world

And I wanna know if I  
Could give it to you, girl

You know that I wanna say it  
You know that I need to say it  
You know that I love to say it  
Our love just goes on and on and on

You know that I wanna say it  
You know that I need to say it  
You know that I love to say it  
My love just goes on and on and on

My girl so special  
I want to give it all to you  
Loving you on and on  
My girl so special  
I want to give it all to you  
Loving you on and on

And I wanna know if I  
Could live inside your world  
And I wanna know if I  
Could give it to you, girl

You know that I wanna say it  
You know that I need to say it  
You know that I love to say it  
Our love just goes on and on and on

You know that I wanna say it  
You know that I need to say it  
You know that I love to say it  
My love just goes on and on and on
