Lets go to a rave and behave like we're trippin
Simply cause we're so in love,
Funny hats, shiny bands, oh in need for some romance
Go get dolled up and I'll pick you oh oh up
Oh

There's no line for you and me
Cause tonight we're VIP
I know somebody at the door
See that twinkle in your eye
You shake that ass and I just die
Let's check our coats and move out to the floor floor
floor

When I'm dancing with you
Tomorrow doesn't matter
Turn that music up
Til the windows start to shatter
Coz your the only one who can get me on my feet and
I can't even dance
oh oh ooh

Just look at me, silly me
I'm as happy as can be
I got a girl who thinks I rock

And tomorrow there's no school
So lets go drink some more red bull
And not get home till about 6 oclock
Oh oh ooh!

When I'm dancing with you
Tomorrow doesn't matter
Turn that music up
Til the windows start to shatter
Coz your the only one who can get me on my feet and
I can't even dance

Everybody here is staring at the outfit that your
wearing
Love it when they check you out

Covers only 20 buck and even if the DJ sucks
Lets start to turn this mother out

Woah!

When we're together, When we're together,
There's no tomorrow, There's no tomorrow
When we're together
There's no one in the world
But you and me
Oh
You and me
Oh
You and me
