Voices That Care - Voices That Care

Lonely fear lights up the sky,
Can't help but wonder why
You're so far away.

There, you had to take a stand
In someone else's land,
Life can be so strange.

I wish we never had to choose,
To either win or lose,
That we could find a way...

But I won't turn my back again,
Your honor I'll defend
So hurry home, and 'til then...

Chorus:

Stand tall; Stand proud!

Voices that care are crying out loud.
And when you close your eyes tonight,
Feel in your heart how our love burns bright.
I'm not here to justify the cause.

Or to count up all the loss...
That's all been done before.

I just can't let you feel alone.

When there's so much love at home
We're sending out to you.

All the courage that you've known
The bravery you've shown,
Clearly lights the way.

We pray! To make the future bright,
To make the wrong things right,
Right or wrong, we're all praying you remain strong
That's why we're all here and singing along.

(repeat chorus)

You are the voice

You are the light

(repeat chorus twice)
