You made my day, you came my way
You heard me every, every time I prayed
You gave me peace, you gave me grace
You put a smile upon my face

You brought the sunshine (in my life)
You are the lifeline (saved my life)
Since then I have know Christ
There has been such a change in my life

Jesus is the answer, breaks ever fetter
There's nothing impossible, nothing infallible
Nothing to hard for my God to work out
No matter what the problem
God can always solve 'em
Try Him today, He will brighten up your day
And He'll come your way, he will hear you when you pray

I'm a witness that Jesus will make a difference in your life
I'm a witness that Jesus will make a difference in your life
There's nothing impossible, nothing infallible
Nothing to hard for my God to work out
You brought the sunshine and you are the lifeline
You brought the sunshine and you are the lifeline
You brought the sunshine and you are the lifeline
You brought the sunshine and you are the lifeline
Amazing grace how sweet the sound that saved a wretch like me
(I'm a witness that Jesus will make a difference in your life)
(I'm a witness that Jesus will make a difference in your life)
(I'm a witness that Jesus will make a difference in your life)
(I'm a witness that Jesus will make a difference in your life)
I once was lost but now I'm found
Was blind but now I see

You made, you made my day
You came, you came my way
You brought the sunshine in my life
and now I've got a joy divine
Your love it came and changed my day
And now I'm glad to go you way
