At the second, at the second handed crowd
Said where moving, and where moving round the bend
And the boy, and the boy he is a girl
And the rules don't need to be observed
At the second, at the second handed crowd
Said where moving, and where moving round the bend
And the boy, and the boy he is a girl
And the rules don't need to be observed

His soul changed for the learning
It makes sense, what you're turning
His soul changed for the learning
It makes sense, what you're turning
His soul changed for the learning
It makes sense, what you're turning on
What you're turning on
What you're turning on
...
