Come on!

I don't wanna be a lackey in a job that doesn't pay

I don't wanna have to listen to you today

I don't wanna sell my soul to The Man today

I don't wanna throw it all awaaaaay

Chicky-chicky-chickowwww

Chicky-chicky-chickowwww

Wanna escape for a while, I'll get a new idea

I'll start up a band, get a brand new plan, find some
way out of here

You need some way to be free that's not just a dream

You need some way to be free that's not just a dream

Chicky-chicky-chickowwww

Chicky-chicky-chickowwww

I don't wanna be a lackey in a job that doesn't pay

I don't wanna have to listen to you today

I don't wanna sell my soul to The Man today

I don't wanna throw it all awaaaaay

You know when you're bored

You're watching TV on a Friday ni-i-ight
