Roch Voisine)

The clouds have cornered my life again

The horizon has blinded my sight again

And I know I must be strong

Carrying on alone

Whenever my dreams have stormed 'till morning

You were there, an angel, a blessing

No, I cannot see your smile

And I'm defenceless like a child

And I've been waiting

And I've been crying

And I've been loving

Loving you

You were the one I wanted to live for

You were my life how could I ever ask for more

Still my mind went on believing

That you never would be leaving

And I've been waiting

And I've been crying

And I've been loving

And I've been waiting

And I've been crying

And I've been loving

Loving you
