alone, you've gone so far away.
no words, no sign, no little trace.
like a thief in the night,
who hates shining light.
alone, you've gone so far away.
but you just had to
have your way. to hide away.
can't believe there's noone there.
you just had to
have your way. you just couldn't stay.
can't believe there's noone there.
my life is longing for your touch.
without your love, it doesn't mean that much.
like a leaf in flight, on winds' raging heights.
alone, you've gone so far away.
but you just had to have your way. to hide away
