i've been watching you.
you know, you know what to do.
i know what to say,
when you looked at me that way.
and i've got to know now,
which-a- way it's gonna go.
are you gonna stay with me? oh, please!!
do you, do you, do you, do you,
do you, do you, do you want me?
aw, come on tell me darlin':
do you, do you, do you, do you, do you want me?
i want you to be
the one inside of me.
say, can you relate,
to the vibe that we create?
and i've got to know now.
which-a-way it's gonna blow.
are you gonna stay with me the whole night through?
do you, do you, do u want me,
cause i've been watching you ...
aw, come on tell me, baby,
do you ...
please me!!!
do you, do you
